Come and meet CommNet at ESOF 2014!

This year's **Euroscience Open Forum** will take place in Copenhagen from 21 to 26 June. **CommNet will be there** with a stand to welcome members who wish to meet and exchange information about communicating the results of bioeconomy research.

Are you going to visit ESOF? [Fill in our survey!](#)

At the CommNet stand - n° 37 of the main exhibition area – you can [join our drop-in sessions](#), on **Webinars, Social media, Education & young people, Industry communication** and **Story-telling**. Each webinar lasts half an hour, so just pop-in and enjoy!

On Tuesday 24th June, we'll also offer a **Master Class** on the subject "Citizen Engagement – why, how and when?" at 9:15 or 11:15 in the Copenhagen Business School, Room Ks71, Kilen, Kilevej 14, 2000 Frederiksberg. E-mail training@commnet.eu to secure your place – full details to be sent by return!

At ESOF 2014, we will also launch the **CommNet Impact Awards**, for the CommNet projects willing to **showcase their communication work to a European audience!**

Our work with the business community is progressing and we are pleased to invite you to the CommNet **Business Dialogues & Policy Round Table**, (12 June in Brussels). During the two sessions, business experts will meet research projects to **assess their market potential**. In a separate session KBBE researchers will also **discuss with legislators the latest trends in regulations**.

Finally, the second release of our **Innovation Catalogue** will soon be released: to stay tuned, [download the first edition!](#)

Projects' life

Anne Raben – Diet and exercise combinations to counter type-2 diabetes

Obesity puts people at risk of type-2 diabetes. But new research aims to find a combined diet-exercise prescription for keeping the optimal body weight, which may help prevent the disease.

Putting the sunshine vitamin in the spotlight

Food-based solutions are being devised to counter the 'vitamin D winters'.
